Revue d'économie du développement

Review on Economics of Development

A quarterly publication - ISSN: 1245-4060; On-line ISSN: 1782-1517

Dear Colleague,

We would like to invite you to submit your next manuscript to the *Review on Economics of Development* in English (or in French).

For 20 years now, the *Review on Economics of Development* has been devoted to the publication of high quality papers dealing with a wide range of issues related to development economics. The review especially welcomes contributions that include but are not limited to Africa.

The review will also feature a policy corner devoted to articles that are especially policy focused.

Reasons to publish with us:

- Increase the visibility of your works through the systematic publication in English and in French (translation cost is supported by the review).
- One of the most consulted worldwide academic journal in French on development economics.
- Compliance with all open access mandates.
- High quality peer-review service.
- Rapid publication upon acceptance.

The *Review on Economics of Development* encourages young researchers to submit their papers. The review will also organize special issues to emphasize new research directions.

Read our special issues marking the 20th anniversary of the *Review on Economics of Development* on the theme “Development economics 20 years” on <http://www.cairn-int.info/journal-revue-d-economie-du-developpement.htm>

Sincerely, the publication managers

Patrick Guillaumont
